

# "Environmental Geosciences and Engineering Survey for Territory Protection and Population Safety"

**EngeoPro-2011**

**International Conference**

**Moscow, Russia, September 6-8, 2011**

<http://www.engeopro2011.com>

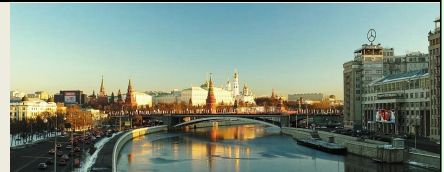

Conference is organized under the aegis of the International Association  
for Engineering Geology and the Environment (IAEG)

## Organizers:

Russian Academy of Sciences; Ministry for Emergencies of the Russian Federation  
National Union of Russian Surveyors; Russian national group IAEG

## Topics for discussion:

1. Natural hazards and risks: their investigation, analysis, monitoring, modeling, prediction, prevention, and management.
2. Engineering Survey for Rational Use of Territories and Providing Population Safety.
3. Engineering protection of territories under the impact of various natural and natural-anthropogenic hazards:
  - Endogenous geological (including seismic) hazards
  - Exogenous geological hazards
  - Geocryological hazards
  - Hydrometeorological hazards.
4. Socio-economic aspects of engineering protection.

## Among key-note speakers:

1. Prof. Carlos Delgado (Spain) president of the International Association for Engineering Geology and the Environment (IAEG), Polytechnic University of Madrid, School of Civil Engineering
  2. Prof. Victor OSIPOV (Russia) academician Russian Academy of Sciences, Director of the Institute of Environmental Geoscience RAS
  3. Prof. Runqiu HUANG (China) Vice-President IAEG for Asia, vice-president of Chengdu University of Technology, Director of the State Key Laboratory of Geohazard Prevention and Geoenvironment Protection
  4. Prof. Boris N. PORFIR'EV (Russia) Head of the Centre for Risk Analysis and management; Head of Laboratory for Analysis and Prediction of Natural and Human-Induced Risks in Economics at the Institute of Economic Forecasting RAS
  5. Dr. Helen REEVES (United Kingdom) Head of Science Land Use, Planning and Development, British Geological Survey
- and others (look for updates on the conference site).

Second Announcement and Call for Abstracts

### Organizing Committee:

**Chairman:** Nikolay P. LAVEROV, Academician of Russian Academy of Sciences, Vice-President RAS

**Deputy Chairman:** Victor I. OSIPOV, Academician of Russian Academy of Sciences, Director of IEG RAS

**Deputy Chairman:** Valerii A. AKIMOV, Dr. Sci. (Techn.), Head of the Centre for Strategic Research in Civil Defense, Ministry for Emergencies of the Russian Federation

### Members:

Oleg E. AKSYUTIN, Dr.Sci., Head of Department, Gazprom Open Joint-Stock Company

Vsevolod P. ANAN'EV, Prof., Dr. Sci., Rostov-on-Don State Construction University

Vladislav R. BOLOV, Dr. Sci., Director of the All-Russia Centre for Monitoring and Prediction of Emergencies

Victor A. VLADIMIROV, Dr. Sci., Chief specialist at the Centre for Strategic Research in Civil Defense

Aleksandr O. GLIKO, Academician RAS, Academician-Secretary of the Department for Earth Sciences RAS

Victor I. DANILOV-DANIL'YAN, Corr. Member RAS, Director of Institute for Water Problems RAS

Vladimir S. KRUPODEROV, Dr. Sci. Director of Research Institute for Hydrogeology and Engineering Geology

Leonid G. KUSHNIR, President of the National Union of Russian Surveyors

Evgenii A. LUPYAN, Dr. Sci., Deputy Director of Space Research Institute RAS

Aleksandr A. MAKOSKO, Dr. Sci., Deputy Head of Research Organization Department at Presidium of RAS

Aleksei A. MALOVICHKO, Corresponding Member RAS, Director of the Geophysical Survey RAS

Nikolay A. MAKHUTOV, Corresponding Member RAS, Deputy Director of Mechanical Engineering Institute RAS

Vladimir P. MEL'NIKOV, Academician of RAS, Director of the Institute of Earth Cryosphere, Siberian Branch RAS

Gennadii N. PANIN, Prof., Dr.Sci. Institute for Water Problems RAS

Boris N. PORFIR'EV, Prof., Dr.Sci. Head of the Centre for Risk Analysis and Management; Institute of Economic Forecasting RAS

Vyacheslav G. RUMYNIN, Corresponding Member RAS, director of the St.Petersburg Division IEG RAS

Victor P. SAVINYKH, Corresponding Member RAS, President of the Moscow State University of Geodesy and Cartography (MIIGAIK), pilot-cosmonaut of the USSR

### International Scientific Advisory Committee

Prof. Carlos Delgado, President IAEG (2011-2014), Spain

Prof. Wu Faquan, General Secretary IAEG (2011-2014), China

Dr. Fred Baynes, Immediate Past President IAEG (2006-2010), Australia

Prof. Wang Sijing, Past President IAEG (1998-2002), China

Prof. Paul Marinos, Past President IAEG (1994-1998), Greece

Prof. Ricardo Oliveira, Past President IAEG (1990-1994), Portugal

Dr. Atiye Tugrul, Vice President IAEG for Europe (2011-2014), Turkey

Dr. Ian Jefferson, Vice President IAEG for Europe (2011-2014), Great Britain

Prof. Hans-W. Hubberten, President of the International Permafrost Association, Germany

Prof. Martin Culshaw, Honorary Research Associate, British Geological Survey, Great Britain

Dr. Giorgio Lollino, President of the Italian national group IAEG, Italy

Prof. Victor Osipov, President of the Russian national group IAEG, Russia

### Key dates:

November 10, 2010 - registration opens; call for abstracts;  
March 1, 2011 - abstract submission deadline;  
April 15, 2011 - abstract acceptance confirmation; call for full papers;  
May 15, 2011 - early bird registration deadline;  
June 30, 2011 - full paper submission deadline;  
August 20, 2011 - registration deadline

Conference languages: English and Russian

Possible forms of attendance:  
oral or poster presentation,  
without presentation

### Forms of submission:

Abstracts – in English;

Full papers for publication – in English or Russian with English abstract;

Poster presentation – in English;

Powerpoint presentation – in English;

Oral presentation – in English or Russian with simultaneous interpretation service provided.

Participants intending to present a paper are invited to submit their abstracts in English via on-line registration system at the conference website
